

MESSAGE FROM THE CVO

The Importance Of Using Your Abilities

A king in a distant land who loved nature and animals once had a small bird sanctuary with different kinds of birds, that was under the care of the Royal Falconer. The king took great pride in protecting the animals in the forests that surrounded his kingdom, and never hunted for sport.

The king was known for being helpful to the neighbouring countries as well. One day, a prince gave him a gift of two falcons as a mark of gratitude. The king was delighted to receive such a gift and told the royal falconer to take great care of the birds.

The birds soon got used to their new home within a few months under the excellent care of the falconer.

Falcons are capable of flying to great heights, and the king wanted to see these beautiful birds in action. So he decided to accompany the falconer and watch the birds fly around the massive palace grounds. The first bird that was brought out impressed the king by shooting up into the sky, which made him eager to see the other bird's progress too.

However, the Falconer sadly told him that the bird could not fly even though it was perfectly healthy. He said that the bird always sat on a tree and simply hopped among the branches without flying anywhere. Nothing could convince the bird to fly.

The king finally asked one of the local farmers for help, who then agreed and visited the bird for two days.

On the third day, the falconer and the farmer called the king to watch the falcon. The bird soared up to the sky, flew around the grounds and gracefully came back to the falconer. Surprised at the change, the king asked the farmer how he managed to achieve this feat.

The farmer said: "Your majesty, I simply cut whichever branch the bird chose to sit on. The bird had to use his wings."

Just like the second falcon, we sometimes hold ourselves back out of fear or lack of confidence, never making a move to explore our surroundings. However, we change when circumstances force us to do so. Don't let fear hold you back from expressing your abilities!

WORDS OF WISDOM

FROM OUR FOUNDER, DR. MOHAN LAL GRERO

You and I have an opportunity to inspire those around us. Each person that enters our lives, a stranger or a lifetime family member is going to see something within us. To make this world a better place, let us focus our minds on having a positive and loving influence. That influence will have a butterfly affect unlike any other because it comes from you.

This universe that we live in allows us to create wonderful things all around us. Let us begin with a smile. When you smile at someone, something happens and in most cases, you will receive a smile back.

What if you saw someone struggling and you were to help that person? If each one of us could take just a few minutes everyday to help someone in need, wouldn't this world be a better place?

By being yourself and teaching people through your everyday actions, you become an inspiring individual. Take that power that you have within and share it with the world in the most loving way that you know how.

Dear Parents,

It is with great pleasure we announce that our school has moved to an automated fee settlement system with Sampath bank through "Zulu" ERP system which is a paperless solution.

No need to fill any slip, but you can make the payment referring only the student's registration number.

Payments can be made through any branch of Sampath Bank, which will be acknowledged by us accordingly.

Methods of payment;

- * Through Sampath Bank counters
- * Through a Debit / Credit card of any bank by logging into www.lyceum.lk, our website www.sampathpayeasy.lk

Please refrain from making cheque payments and please do not make kiosk payments as the system does not recognize them.

Please remember to paste the bank receipt in your child's SRB. Although the surcharge facility is given, the usual school rule is that you have to pay the school fees one week before the school commences.

In case your child is eligible for a scholarship but has received a paying in voucher, please return the voucher back to the class teacher mentioning the reason.
