Message from our Founder
Mr. Mohan Lal Greero

Words of WISDOM

Once I found two very different books. One was "Mein Kampf" by Adolf Hitler and the other was titled "The diary of a young girl" by Anne Frank. Being curious, I decided to look through them both in my usual fashion, skipping through the pages and looking for passages and paragraphs that would speak to me. I soon found that Hitler's manifesto was not only muddled and confusing but also full of ideas that chilled my soul and felt like poison in my veins. After a short while, I kept it aside and started to read Anne Frank's diary. In page after page I felt her wit, wisdom, spirit, love and joy. She filled me with hope for humanity, for myself, and for this world. Even though she was taken away at a young age, I was thankful that her writings had survived.

Anne Frank wrote that "Nobody need wait a single moment before starting to improve the world." When I started to write myself, I knew whose book's example I wanted to follow. I wanted to share ideas that uplifted the hearts and souls of others. I wanted to write words that brought more hope, more joy, and more light into this world.

Dear children each of you are writing a book too. This book is called "Your Life". You write it with everything you do and every choice you make. Make it a great story, one that uplifts, inspires and makes this world a better place.

"Very little is needed to make a happy life; it is all within yourself, in your way of thinking."
