WORDS OF WISDOM

FROM OUR FOUNDER,
MR. MOHAN LAL GRERO

Born on June 24, 1987, in Rosario, Argentina, soccer player Lionel Messi moved to Spain at the age of 13, after the FC Barcelona club agreed to pay for hormone-deficiency treatments. Recognizably smaller than most of the kids in his age group, Messi was eventually diagnosed by doctors as suffering from a hormone deficiency that restricted his growth. Messi became a star in his new country, leading his club to championships. In 2012, he set a record for most goals in a calendar year, and in 2016, he was named Europe's Ballon d'Or winner for the fifth time.

Although he is famously quiet and private off the field, Messi has found ways to help out others in need. In 2007, he formed the Leo Messi Foundation to provide opportunities for disadvantaged youths. In early 2010, UNICEF named him a goodwill ambassador, with a focus on fighting for children's rights across the globe.

My dear children, life is not always going to be a bed of roses. You will face many challenges from time to time. How you overcome them will determine how successful you will be in life. So never ever give up. Keep persevering. You will be surprised by the inner strength you can call upon over and over again, and one day you will realize that achieving the impossible isn't that hard anymore!

HOBBIES ARE GREAT FOR CHILDREN

Hobbies benefit children in many ways. It gives a child an opportunity to express and discover themselves and build self-esteem. For example, a child interested in rock collecting, learns about Geology and Science.

There are many hobbies that children can follow such as **reading, writing** (creative, poetry, etc.), **singing, dancing, learning to play a musical instrument** (e.g. piano, guitar, violin, flute, etc.), **painting** (e.g. nature, objects, free-style, etc.), **starting a collection** (e.g. stamps, coins, sea shells, rocks, stones, feathers, model cars, trains, planes, etc.), **riding and racing** to name a few.

Other hobbies can also bring children close to nature such as **watching wildlife** (e.g. birds, butterflies, whales, etc.), **nature photography** (e.g. landscape, wildlife, macro nature, underwater, etc.), **gardening, travelling, snorkeling, diving, canoeing, white water rafting**, etc.

Therefore see what your child's interest is and help them choose a hobby that they would love and learn from.

LYCEUM'S MERITORIOUS ATTEMPT TO SPREAD THE MESSAGE OF BUDDHISM IN THE ENGLISH MEDIUM

As a means of spreading the words of Buddhism in the English medium, our Founder - Mr. Mohan Lal Grero, took a very noble initiative to teach many monks and bhikkunis in temples around the island, where many have participated. This programme is currently in its 10th consecutive year and has been conducted free-of-charge under the supervision of Mr. Shane Blok and Mr. Upul Grero. and coordinated by Mrs. Grero.

ANNUAL PRIMARY CONCERTS OF LYCEUM INTERNATIONAL SCHOOL, NUGEGODA

The annual primary concerts of **Grade 2, 3 and 5** students of Lyceum Nugegoda concluded successfully at the Aeolian Hall under the titles of 'Tales and Tunes', 'Magical Mirrors' and 'Sparkle'. The concerts provided an excellent platform for our young students to showcase their talents in various genres such as music, dance, speech and drama, which were presented in English, Sinhala and Tamil.

It certainly would not have been an easy task to organize and manage these concerts; however thanks to the loyal dedication and support of all our hardworking teachers and the immense cooperation from our students, they put together three wonderful concerts with beautiful backdrops, props, decorations and entertaining shows, that were enjoyed by all parents and guests who attended.

TABLE ETIQUETTE PROGRAMME FOR GRADE 12 STUDENTS

Today's society demands a lot from a school leaver. We at Lyceum believe in sending out children, who are not only ready to face the demands of this world, but also become professional, well-rounded, global citizens.

As our young adults step into the career world, there are instances where some job interviews could be conducted over a meal and the interviewer would check on the soft skills of the candidate. With this in mind, our Coordinating Principal, Mrs. Kumari Grero, decided to organise a **Table Etiquette Programme for the entire Grade 12 batch**, which was carried out in two batches due to the high number of students in this grade. The catering for the lunch was provided by **Na Tree Caterers** and a considerably high cost was fully borne by Mrs. Grero and was provided free-of-charge to all students who participated.

The programme was conducted by **Mrs. Yvette Cooke** and she was assisted by the teachers at our Kohuwala Section. One boy and girl were made to sit as hosts of the table and the other students were seated as guests. The students were taught how to partake in a **formal table setting, napkin etiquette, when to start eating, handling cutlery** (including knowing the correct flatware to use for each item as well as how to handle the fork, knife and spoon with ease), **soup etiquette, bread etiquette** (including knowing how to break the bread roll) and **dinner party etiquette**.

MESSAGE TO PARENTS FROM OUR STUDENT COUNSELLOR -

You are the first and most important teacher in your child's life. They learn by following you, watching you and listening to you, therefore as a parent, it is your responsibility to raise a happy and intelligent child. Your character and discipline will help your child to lead a successful life as an adult.

Awareness of school rules and discipline is important. Rules are implemented in schools for a reason; to guide students from a young age to become successful adults and lead a disciplined and well-balanced life. As such we would like to bring to your attention if a student does not follow the school rules and conducts themselves in an unruly manner in school, and strict disciplinary action will need to be taken.

ENROLMENT OF LITTLE FRIENDS AT LYCEUM NUGEGODA

The **Lyceum Little Friends Enrolment Ceremony** was held recently at the school premises. It was wonderful to see many girls join Lyceum Little

Friends, as it is a programme that gives girls the confidence to **discover their voice** and **learn to stand up for themselves as confident individuals**.

Being a Little Friend is also all about **having fun** with other Little Friends and **building friendships** with each other, while **learning new hobbies, playing music together, exploring other cultures** and **developing life skills** through various **outdoor adventures** such as **pack holidays, day trips** and **sleepovers**.

Little Friends can explore all their favourite interests and choose what badge to follow, discover a new challenge, read stories about other Little Friends' adventures and find out a lot of fun things to do at home. It also gives a world of opportunities and challenges for girls to learn from.

Little Friends is held during school time from, Grades 4 to 7 and also after school.

Poems jointly composed by Grade 10 French students

Ah! Si je pouvais...

Si je pouvais cueillir des étoiles, j'aurais un collier magnifique,
Si je pouvais danser comme des pissenlits, je danserais toute la nuit,
Si j'aimerais quelque chose, ce serait la musique classique,
Si je pouvais obtenir beaucoup de fromage, je construirais un château de fromage,
Si je pouvais courir très vite, je courrais au tour du monde,
Si j'avais un unicorn, je serais sur l'arc-en-ciel,
Si je pouvais obtenir toutes les couleurs de l'arc en ciel, j'aurais une chambre colorée et fantastique,
Si je pouvais transformer mes cheveux en blanc, je deviendrais une « bonnereine de neige »,
Si je pouvais cambrioler une banque, j'habiterais dans un château,
Si je pouvais voyager autour du monde, j'irai en Allemagne,
Si Hasiru pouvait devenir intelligent, il deviendrait un député
Si Rovin pouvait aller en Islande, je donnerais des chocolats à la classe.

Ah! Quand...

Quand mes fleurs de chocolat s'épanouiront, j'en ferai une mousse délicieuse,
Quand mes fontaines de crème gèlent, j'aurai de la glace,
Quand je mangerai tes œufs, j'aurai mal au ventre,
Quand il y aura une lune bleue, je rechercherai les schtroumpfs,
Quand mes feuilles de fraises se lèveront, j'en ferai une tarte merveilleuse,
Quand j'aurai soif, je ferai un gâteau aux bananes,
Quand je collecterai tellement de livres, je vivrai dans une bibliothèque,
Quand je deviendrai un pilote, je voyagerai tous les jours,
Quand Donald Trump deviendra le Président des États unis, le monde détruira le monde,
Quand je serai riche, enterrerai mon argent,
Quand tu mangeras mes pâtes, tu oublieras tout le monde.

Congratulations!
