CONTENT FOR GENERAL STUDIES

(for November 2018 Exam and March 2019 Exam)

Sir Don Baron Jayathilleke -

Sir D. B. Jayatilaka presented the first budget of the state council, thus entering the record books as the first Sri Lankan to do so. During the budget presentation he stated that every child should receive education and that a government elected by the uneducated can be dangerous. In 1932 he was knighted by the king thus entering the record books again as the first Buddhist to be honoured. The Japanese raids over Colombo took place in 1942. The panic stricken residents of Colombo fled to rural areas. Unloading of ships at Colombo harbour came to a stand still resulting in a food scarcity. Sir D. B. Jayatilaka rose to the occasion, mustered 400 volunteers of Kelaniya electorate and unloaded the food ships. "The newspapers of the day reported "no leader had founded the hearts of people of Sri Lanka at so many points or embodied so authentically the very spirit of Sri Lanka as did Sir D. B. Jayatilaka.

WORDS OF WISDOM

**FROM OUR FOUNDER,
DR. MOHAN LAL GRERO**

While at the park one day, a woman sat down next to a man on a bench near a playground. "That's my son over there," she said, pointing to a little boy in a red sweater who was gliding down the slide. "He's a fine looking boy", the man said. "That's my daughter on the bike in the white dress."

Then, looking at his watch, he called to his daughter. "What do you say we go, Melissa?" Melissa pleaded, "Just five more minutes, Dad. Please? Just five more minutes." The man nodded and Melissa continued to ride her bike to her heart's content. Minutes passed and the father stood and called again to his daughter. "Time to go now?"

Again Melissa pleaded, "Five more minutes, Dad. Just five more minutes." The man smiled and said, "OK." "My, you certainly are a patient father," the woman responded.

The man smiled and then said, "Her older brother Tommy met with an accident while he was riding his bike. I never spent much time with Tommy and now I'd give anything for just have five more minutes with him. I've vowed not to make the same mistake with Melissa. She thinks she has five more minutes to ride her bike. The truth is, I get five more minutes to watch her play", said the man.

Life is all about making priorities, and family should always be our top priority. So spend as much time as you can with your family, and always go the extra mile to make them feel happy.

IMPORTANT

- ❖ Please send books according to the timetable.
- ❖ **Cultural Dancing:** Please see that you do not dress your child in black tights when they are coming to school in the morning. Students should bring their tights to school and wear it during the Cultural Dancing period.
- ❖ **Please respect your child's privacy:** If your child is in Grade 6 and above, please see to it that sisters and brothers do not share rooms. Respecting the child's privacy to a reasonable extent is important to their mental development and self esteem.

SPENDING TIME WITH CHILDREN IS MORE IMPORTANT THAN SPENDING MONEY ON THEM

As parents, it is important to give your child quality time. The best way to do this is to have one meal together as a family, as it is also a great way to find out how your child's day went. On other days, you can take them outdoors or watch a family movie together.

WEAR YOUR UNIFORM WITH PRIDE

Kindly ensure that your child is dressed smartly before he/she leaves for school.

He/she must be dressed in a new/ nearly new uniform, polished shoes and neatly combed hair. Please refrain from giving your old uniforms to outsiders and also do not put them in the garbage. Instead, old uniforms may be used as rags or sent back to school for the same purpose.
