MESSAGE FROM OUR FOUNDER

Mr Mohan Lal Grero

Mother's Day Everyday

"A mother's happiness is like a beacon, lighting up the future but reflected also on the past in the guise of fond memories."

Honore de Balzac

So, Sunday the 14th of May was Mother's Day. I believe many of you celebrated it by giving your mother a card, a present or a monster hug. I'm sure it didn't matter to her what it was, she would have been thrilled just by your thoughtfulness. Mothers are like that. They put others' needs over their own. However, sometimes, we take them for granted. We don't realise the importance of everything that they do for us. At other times, we do notice, but we forget to tell them.

Similarly, society does not recognise the economic value of the role of a mother just as it does not realise the economic value of a homemaker. But mothers are as important as CEOs, directors or engineers. Think about the tasks they juggle, the multitude of roles they play (nurse, teacher, housekeeper, driver, event planner, accountant, cook, etc.) and think about the hours they put in, working even on holidays and not taking sick leave. In fact, if mothers were to be monetarily compensated for all the work that they do, they would earn a higher salary than the CEO of a large company.

It's nice that we have a special day to celebrate mothers but I think we should celebrate our mothers everyday (Fathers too, but let me leave that thought for Father's Day). Not by buying or making things or going out somewhere to celebrate. There are better ways to let your mom know that you appreciate her: listen to her, help her out by doing some chores around the house and tell her how much you appreciate the things she does for you.

Do you complain that your mom worries too much about you? Well worrying is something that comes with the responsibility of being a mom. Why? Well, you are the most precious thing to her. She may not say it in words and she may not show it all the time, but you are. So go ahead tell her how much she means to you, right now.

Vision

To produce global citizens who will reshape the future of their motherland.

Mission

To enhance the potential of every young soul that passes through our halls, empowering them to be the best they can be.
