SEPTEMBER-2017 ISSUE-242

MESSAGE FROM OUR FOUNDER

Mr Mohan Lal Grero

Today I would like to share with you a story about two horses.

From a distance, both horses looked

alike. But if you get a closer look you will notice something quite interesting...

One of the horses is blind. His owner has chosen not to have him put down, but has made him a safe and comfortable barn to live in. If you stand nearby and listen, you will hear the sound of a bell. It is coming from a smaller horse in the field. Attached to the horse's halter is a small, copper-colored bell. It lets the blind friend know where the other horse is, so he can follow.

As you stand and watch these two friends you'll see that the horse with the bell is always checking on the blind horse, and that the blind horse will listen for the bell and then slowly walk to where the other horse is, trusting he will not be led astray.

When the horse with the bell returns to the shelter of the barn each evening, he will stop occasionally to look back, making sure that the blind friend isn't too far behind to hear the bell.

Sometimes we are the blind horse, being guided by the little ringing bell of those who are in our lives. Like our parents, grandparents, teachers and good friends. Some walk beside us: some give us footsteps to follow in.

And at other times we are the guide horse, helping others to find their way. An act of kindness takes only a moment, but its memory can last a lifetime.

SCRABBLE

It is encouraging to see that several students have joined the scrabble class. This mind game has many benefits and advantages to the young students. Formation of English words in the correct manner helps with spelling / adding, calculating and multiplying the scores helps in maths & arithmetic as there are various values in the letters (tiles) plus many values of the squares on the Board /discipline & concentration during games etc.

It is important to study the scrabble words well. The study programme has been given to you by the coach. Do the lessons-Study as home work. Class time could then be used profitably for game practice. Enjoy the game. Parents are requested to collect their children soon after class.

Classes are held on Tuesday & Thursday from 2 to 4 p.m.
