*Softskills +*

**Well done!**

Soft Skills+ 2018 is an Inter school Quiz Contest and a soft skills workshop. The competition essentially will look at cultivating skills such as team work, problem solving, leadership skills and creative thinking.

This annual event, organized by The Faculty of Business at SLIIT recently conducted its annual Interschool Quiz Competition and Workshop on Soft Skills for the fifth consecutive year.

The workshop was targeted towards the grade 11 to 13 Commerce stream students in State, Private and International schools with the aim to spark the interest on Soft Skills; team work, problem solving, creativity and thinking out of the box etc., whilst improving the business knowledge among school children. Even though these Soft Skills are increasingly becoming the hard skills of today's work force the school curriculum had ignored this vital aspect and this Softskills+ programme tries to bridge this gap.

Maliyadewa Balika Kurunagala emerged Champions for this year while Lyceum International school Wattala was adjudged the First Runners-up falling short of 14 marks. Our team comprised of Kaavindya Silva, Zaakiya Ashraf, Suweni Jayaratne and Mandinu Basnayake (Cambridge section). The highlight of this event was that we were the only International school making it to the Grand Finale 2018.

Initially the preliminary rounds for the competition were held in Kandy, Malabe, Kurunegala and Jaffna with a participation of 73 school teams from 42 schools representing the whole country. From these teams, 32 teams were qualified for the Grand Finale. This was a highly competitive interschool quiz which covered current developments in local and International business, Globalization, International trade and Business communications.

## ENROLMENT OF LITTLE FRIENDS

The Enrolment ceremony of the 54th Kelaniya Little Friends was held on 11th May 2018 in the Athena Hall. The former Colombo District Commissioner Mrs. Yasanthi Nanayakkara, Mrs. Shama Liyanage and Mrs. Kanthi Wickramasinghe officiated at the function. Ms. Asha De Alwis ( Sylvana) and the assistant Ms. Dharma Artigala (Sylvet) organized the programme. It was wonderful to see many girls join Lyceum Little Friends, as it is a programme that gives the confidence to discover their voice and learn to stand up for themselves as confident individuals. We thank all the parents who gave their fullest cooperation.

### BREAKFAST

Breakfast is an important meal of the day. Please ensure that your child has breakfast everyday. Students are allowed to bring their breakfast to school and have it during the register marking period, but they will not be allowed to go out of class to purchase food from the canteen at that time.

Try to spend dinner time with your child.

### MESSAGE TO PARENTS

You are the first and most important teacher in your child's life. They learn by following you, watching you and listening to you, therefore as a parent, it is your responsibility to raise a happy and intelligent child. Your character and discipline will help your child to lead a successful life as an adult. Awareness of school rules and discipline is important. Rules are implemented in schools for a reason; to guide students from a young age to become successful adults and lead a disciplined and well-balanced life. As such we would like to bring to your attention if a student does not follow the school rules and conducts themselves in an unruly manner in school, strict disciplinary action will need to be taken.

### YOUR PHONE CAN WAIT - NOT YOUR CHILDREN

Your child is happy to see you after school, but are you happy to see your child? We have observed many children trying to speak to their parents, but the parent is on the phone. Please don't do this
