WHAT IS THE ISAC?

The International Schools' Athletic Championships (ISAC), which was the brainchild of the Founder, late Mr. R. I. T. Alles of Gateway College, has now established itself as the biggest national flagship sporting event in the school calendar of 25 International Schools affiliated with The International Schools of Sri Lanka (TISSL). It is conducted in accordance with the competition rules and regulations of both TISSL as well as the International Association of Athletic Federations (IAAF), making it an event similar to the Olympics.

Around 3000 athletes from all 25 International Schools will compete in 130 events for both boys and girls. Also over 300 officials will conduct the competition as per the rules of the Amateur Athletic Association of Sri Lanka.

Over 20,000 spectators including students, parents, relatives, staff members and cheering squads from TISSL member schools and those participating, are expected to be present. In addition, prominent electronic and print media personnel will also be invited to provide full coverage of this prestigious event.
