WORDS of WISDOM

FROM OUR FOUNDER MR. MOHAN LAL GRERO

A wealthy man requested an old scholar to wean his son away from his bad habits. The scholar took the youth for a stroll through a garden. Stopping suddenly he asked the boy to pull out a tiny plant growing there.

The youth held the plant between his thumb and forefinger and pulled it out. The old man then asked him to pull out a slightly bigger plant. The youth pulled hard and the plant came out, roots and all. "Now pull out that one," said the old man pointing to a bush. The boy had to use all his strength to pull it out.

"Now take this one out," said the old man, indicating a guava tree. The youth grasped the trunk and tried to pull it out. But it would not budge. "It's impossible," said the boy, panting with the effort.

"So it is with bad habits," said the sage. "When they are young it is easy to pull them out but when they take hold they cannot be uprooted." The session with the old man changed the boy's life. Dear Children don't wait for bad habits to grow in you, drop them while you have control over it, else they will control you.

HOBBIES ARE GREAT FOR CHILDREN

Hobbies benefit children in many ways. It gives a child an opportunity to express and discover themselves and build self-esteem. For example, a child interested in rock collecting, learns about Geology and Science.

There are many hobbies that children can follow such as reading, writing (creative, poetry, etc.), singing, dancing, learning to play a musical instrument (e.g. piano, guitar, violin, flute, etc.), painting (e.g. nature, objects, free-style, etc.), starting a collection (e.g. stamps, coins, sea shells, rocks, stones, feathers, model cars, trains, planes, etc.), riding and racing to name a few.

Other hobbies can also bring children close to nature such as watching wildlife (e.g. birds, butterflies, whales, etc.), nature photography (e.g. landscape, wildlife, macro nature, underwater, etc.), gardening, travelling, snorkeling, diving, canoeing, white water rafting, etc.

Therefore see what your child's interest is and help them choose a hobby that they would love and learn from.
