

Donation for PET Scan Reached One Million

In response to a request made by the Management of Lyceum Wattala, parents, students and staff collected and donated a sum of rupees One Million towards the PET Scan fund. We thank all the parents, students and staff members for their contribution.

The money was deposited to the National Cancer Hospital, Maharagama. On Founder's Day our Director Mrs. Dilmi Ratnayake handed over the authentication of our contribution to Mr. Mahesh Jayawardena Project Chairman of "Manusath Derana". We greatly appreciate your generosity towards this meritorious and worthy act.

Founder's Day Celebrations

To a leader who knows the way, goes the way and shows the way...

Happy 23rd Founder's Day! We are proud of our accomplishments over the two decade journey of Lyceum International School. The school's achievements in the fields of students' academic performance and extracurricular activities are manifold and highly commendable. Within the course of the last 23 years, we were able to expand the school network to cover different parts of the Island providing opportunities for children in remote areas to have access to a quality education in the English medium. These are the wonderful outcomes of the collective and continuing efforts of the academic, administrative and support staff as well as our precious students and parents. It is a triumph borne of a team effort rather than an individual one.

Every one of us has the capacity, to make a difference in the school, to light the path for a brighter future and to leave a legacy, with our words and deeds.

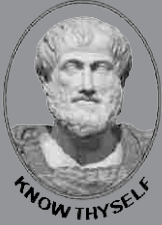

We express our sincere gratitude for all the excellent work carried out by every member of our family. Be proud of what we have achieved. There is a lot more that we will achieve together. We thank you for your continued support in our past, present and future endeavors.

**Message from the
Founder
and the
Coordinating Principal**

Lyceum Wattala celebrated the 23rd Founder's Day on 14th June 2016. Members of the Academic Staff and Non Academic Staff who have completed 15, 10 and 5 years awards in appreciation of their services, from the Management.

Young Inventor

Dulina Vishan Kombalavithana (8G) got the opportunity of participating in the opening ceremony of the Science and Technology week and the exhibition which was held in Beijing organized by the Ministry of Science and Technology Propaganda Department and the Association of Chinese Science Education Promotion.

Dulina was selected to participate in this event by producing the certificate which he received at the Science Fair held at Lyceum International School Wattala in the year 2014 and 2015. It was the school Science Fair that paved the way for this unique opportunity in Beijing China.

Dulina presented his invention which was a sensor stick for the blind at the exhibition at which the Chief Guest was the Prime Minister of China.
