Vision

To produce global citizens who will reshape the future of their motherland.

Born on June 24, 1987, in Rosario, Argentina, soccer player Lionel Messi moved to Spain at the age of 13, after the FC Barcelona club agreed to play for hormone-deficiency treatments. Recognizably smaller than most of the kids in his age group, Messi was eventually diagnosed by doctors as suffering from a hormone deficiency that restricted his growth. Messi became a star in his new country, leading his club to championships. In 2012, he set a record for most goals in a calendar year, and in 2016, he was named Europe's Ballon d'Or winner for the fifth time.

Although he is famously quiet and private off the field, Messi has found ways to help out others in need. In 2007, he formed the Leo Messi Foundation to provide opportunities for disadvantaged youths. In early 2010, UNICEF named him a goodwill ambassador, with a focus on fighting for children's right across the globe.

My dear children, life is not always going to be a bed of roses. You will face many challenges from time to time. How you overcome them will determine how successful you will be in life. So never ever give up. Keep persevering. You will be surprised by the inner strength you can call upon over and over again, and one day you will realize that achieving the impossible isn't that hard anymore!

Religion School Attendance Card

The Religion School Attendance Card has to be submitted to the class teacher by 2nd July 2018. Attendance should be marked and signed by the Religion school teacher. Cards without signatures will not be accepted.

Report Card

Please note that, students have to hand over their report card to the class teacher on or before 31st of May 2018. The report should be completed with the parents' signature.

Mission

To enhance the potential of every young soul that passes through our halls, empowering them to be the best they can be.
