## Navarathri Festival

## Maathra 8 Concert

Maathra 8 concert presented by the Kandyan Dancing students of Lyceum Group of International Schools was held on 10th October 2015 at B.M.I.C.H. The Founder of Lyceum International Schools Mr. Mohan Lal Grero was the Chief Guest.

A big thank you to all Kandyan Dancing students and Staff for all the effort put into make Maathra 8 a success.

## Message from our Founder Mr. Mohan Lal Grero

The story is told of a boy who was dying of cancer and needed urgent treatment. But the cost of the treatment was way beyond the means of the boy's family. News of this boy's condition quickly spread around the school he attended and a fund - raiser was launched to help out the family.

What ensued was nothing short of a miracle. Little children donated their piggy banks towards the fund. Some sacrificed their lunch money. Parents of fellow students made collections in their offices. News travelled overseas and past pupils chipped in. In less than a month, over five million rupees was collected.

This is not a story that took place in some wealthy western country. It took place right here in Sri Lanka. It goes to prove that true wealth is not measured by a country's GDP or a person's income, but by the goodness of one's heart.

When the opportunity presents itself for you to do something good, don't just do something, do your best.
