

The Lyceum Alumni Association - A Lifelong Experience

Your link with the Lyceum International does not end with graduation. I hope that your student days are only the beginning of lifelong relationship with the Lyceum family.

Founded in 2000, the Lyceum Alumni is a volunteer - led association committed to serve and unite alumni for the purpose of advancing the interests of Lyceum International and its Alumni.

The Lyceum Alumni also help to promote Lyceum Culture and offers varied programmes of events designed to maintain your very special affiliation with the Lyceum International School.

Alumni members help with many aspects of Lyceum work - acting as “Professional Links” enabling current students to discuss possible career paths, serving on various advisory and planning committees and sharing their experiences at Lyceum.

Our Alumni are well represented in the fields of Aviation, Business, Education, Informatics, Media and scores of other professional fields, both Sri Lanka and abroad.

I would like to invite you to share the Lyceum Culture you've nurtured during your brilliant academic careers at your Alma mater the Lyceum.

Yours Sincerely,

Ms. Wenuri Hettiarachchi
